## MEET OUR SPEAKERS

### FRIDAY

**Paul Williams**  
**British and Foreign Bible Society**  
6:30 PM — Online

Paul is Chief Executive of the British and Foreign Bible Society and Research Professor of Marketplace Theology and Leadership at Regent College, Vancouver, Canada. He previously held senior roles in finance and

consulting and has helped pioneer new entrepreneurial start-ups- in each of the marketplace, church and the academy. Paul is passionate about helping the Church read the Bible in the marketplace and engage missionally in contemporary culture and has sought to centralize Bible engagement in his work as a professional economist and theological educator.

His book, *Exiles on Mission: How Christians Can Thrive in a Post-Christian World*, explores the experience of living as Christians in the 21st century and provides a truly missional understanding of post-Christendom Christianity, alongside constructive tools to help readers understand their cultural environment and form a missional response through deeper Bible engagement and prayer. Paul is married to Sarah and they have two adult daughters.

## MEET OUR SPEAKERS

### SATURDAY

**Donna Jordan**  
**Youth with a Mission**  
2:30 PM — Online

Donna Jordan trained as a Registered Nurse in Canada before joining YWAM (Youth With A Mission) with her husband, Peter, in 1976. They helped pioneer the Kona, Hawaii base for 12 years with Loren and Darlene

Cunningham, where they served in leadership and directed Discipleship Training Schools globally.

Donna's desire is to show that all of God's children can hear and recognize His voice; that they can be led by the Spirit and have an intimate relationship with God. She loves to share this message in missionary training schools, churches, seminars and in small home groups.

**Zach Duke**  
**BigLife**  
6:00 PM — Online

Zach is a disciple and lover of Jesus first and foremost. In ministry, Zach serves as Global Catalyst for BigLife, making disciples both at home and across many nations. He is serving with 24:14 as one of the North American

Facilitators. Zach is the founder of the International Leadership Academy for children; a songwriter and music manager; and even more importantly, a husband to his beautiful wife Megan and father to his four precious kids: Malia, Natalie, Judah, and JJ. They live near Indianapolis, Indiana and their family enjoys the great outdoors, leading worship, and building up strong leaders.

## MEET OUR SPEAKERS

**Tim Dickau**  
**City Gate**  
4:30 PM — Online

Tim Dickau is the director of CityGate and an associate at the Center for Missional Leadership. He was the pastor of Grandview church in Vancouver for 30 years. During that time, the church had gone from being ready to

dissolve to becoming re-established as a force for good in its neighbourhood. The church found creative ways to bear witness to the good news of God's reconciling and restoring love through community living, welcome of the poor and the stranger, economic development through social enterprises, a 28 unit community housing project, proliferation of the arts, prophetic witness and deepening practices of confession and repentance. One way of describing this transition is to say they have moved from "going to church to being the church...in and for the neighbourhood."

His recent book, *Humility and Hope: Forming Christian Communities in a Secular Age*, was published in 2021. In this book, Tim offers an analysis of secular society and the powers we are up against. He also offers proposals for responding to these powers by forming stable, thicker, porous communities that foster and work for personal, corporate and systemic change over the long haul.
